Sunwest HOA Fees Due April 1st

1st quarter HOA fees are due April 1st. There is a grace period, but if dues are not received within 30 days of the due date a \$25 late fee is charged to the homeowner's account. Delinquent accounts also accrue interest charges of 18%, so it pays to get your payments in on time.

Spring is Here

Now is the time to think about getting your sprinkler system prepped for the new season. Also, weeds are already popping up. Be sure to get them before they get noticed by MSI and result in a friendly reminder letter. Spring is the time people think about house painting and landscaping projects. If you keep the same external house paint colors then you don't need to submit an ACC request. If you want to change your external house paint colors, or want to do some landscaping improvements, install fences or decks or sheds, be sure to submit an ACC request form and get approval before starting any work. The ACC request form is found here: <http://sunwest-hoa.org/Arch.php>.

Reduce, Reuse, Recycle

Recycling is a wonderful thing. But not so much when your neighbor's recycling ends up in your yard. Erie has a great climate, but it also has gusty winds that can blow the recycling out of our baskets and all over the neighborhood. Please be mindful of those particularly windy days when it is better to keep the recycling inside until the morning of the collection.

Scoop That Poop

Most dog owners in Sunwest are responsible and pick up after their dog. Unfortunately there are still a few bad apples that let their dogs roam the neighborhood and poop in their neighbor's yards. If you see that

behavior please report it to president@sunwest-hoa.org along with any supporting information so we can try to reduce those incidents.
