

Get Ready for Cold Weather

After the tree-damaging weather over the last couple of years, arborists say it's important to trim back damaged growth now. They also advise tapering off watering of trees to prepare them for another early freeze. They don't have an opinion on raking leaves, but your neighbors certainly do, so please rake them as they accumulate. Need some info on why your silver maples or other trees aren't thriving? Contact Mike McGill, the Erie Town Arborist, at 303-926-2892 to schedule a free assessment.

Be sure to shut down and winterize your sprinkler system as the weather begins to cool, to prevent damage to the system during the first freeze. Once snow falls, please remember that you're required to shovel your sidewalks within 24 hours.

Sunwest HOA Fees

4th quarter HOA fees are due October 1st. There is a grace period, but if dues are not received within 30 days of the due date a \$25 late fee is charged to the homeowner's account. Delinquent accounts also accrue interest charges of 18%, so it pays to get your payments in on time.

Speaking of HOA fees, Sunwest HOA fees for 2017 will remain the same at \$140 per quarter. The HOA Board works diligently to keep costs down while maintaining services so your fees don't go up. You should receive a new 2016 payment booklet in the mail sometime in December. If your booklet does not arrive on time please email or call Christopher Alcon at MSI (his contact info is in the sidebar) so he can have a replacement booklet sent to you.

Furry Friends

Dogs on leashes are welcome in Sunwest's parks and common areas, but dog owners are responsible for ensuring the parks and common areas are clean and safe for other visitors. Please bag your dog's waste and deposit it in a trash can, or carry it back home. Waste bag dispensers and trash cans are located at both parks, and bags are free.

Don't forget! HOA fees of \$140 are due on October 1st. Please use your coupon book or automatic checking debit when making your payments.
