Sunwest HOA Fees Due Quarterly

Quarterly HOA fees are due January 1st, April 1st, July 1st and October 1st. There is a grace period, but if dues are not received within 30 days of the due date a \$25 late fee is charged to the homeowner's account. Delinquent accounts also accrue interest charges of 18%, so it pays to get your payments in on time.

Sunwest Summer Social Event

The Summer Social Event may be held on Sunday, August 23rd or 30th, from 4:00 pm to 6:00 pm. The usual activities will be affected by social distancing (if we are even allowed to hold the event). Otter pops and water (regular and flavored) will be available during the party. Volunteers are welcome. Sunwest residents will be notified when we are able to confirm the event is happening. Send email to president@sunwest-hoa.org to volunteer.

Social Distancing This Summer

Boulder County is going from Stay At Home to Safer At Home rules for social distancing this summer. Sunwest HOA Tot Lots are open for small groups (10 people or less) who follow the Boulder County rules.

Boulder County Requirements for Residents

-Stay home as much as possible, leaving only for a limited number of specific activities.

-When going out, follow physical distancing requirements (6 feet of space between yourself and others) and wear a face covering.

- Vulnerable people at high risk of severe illness from COVID-19 should only leave home for medical care and essential activities.
- People who have COVID-19 symptoms must isolate unless they have a negative test result. Self-isolating when you are ill is the best course of action until more testing is available.
- Only essential travel in- or out-of-state is permitted.
- Sick people must not go to work.

Whose Sidewalk Is It?

Homeowners may be surprised to discover the sidewalk along their property belongs to them. The Town of Erie enforces public right of way on the sidewalks, but the sidewalks belong to the property on which they are located. This means the homeowner is responsible for maintaining the sidewalk on their property in a safe condition. Sidewalks tend to heave or sink due to the unstable ground in our neighborhood. If there is a trip hazard on the sidewalk on your property you are responsible for fixing it. The Town of Erie and Sunwest HOA are not responsible for maintaining the sidewalks on private property. Just as important, the Town of Erie and Sunwest HOA accept no liability for injuries due to tripping and falling on a privately owned sidewalk. If you have a trip hazard on your sidewalk you are liable for any injuries due to a trip and fall on your property. If you want information on vendors who do sidewalk repairs you can email president@sunwest-hoa.org.

Sunwest Neighborhood Watch

Homeowners are reminded to call 911 in the event of an emergency. To report barking dogs, vandalism or a crime in progress (non-emergency) call police dispatch at 303-441-4444. To report Town of Erie code violations, or other police business call Erie PD at 303-926-2800 during normal business hours. Sunwest residents are the eyes and ears of Sunwest HOA. If you are aware of a violation of the CC&Rs or the Rules and Regulations please send an email to president@sunwest-hoa.org with details of the violation, and a letter will be sent to the offending party.

Short-Term Rentals are Prohibited

Sunwest CC&Rs allow a homeowner to lease their single-family home to a single-family for a minimum lease duration of six months. Short-term rentals of less than six months are not allowed and are subject to the same enforcement policy as any other CC&R violation.

Keep Rover on a Leash, and Scoop That Poop

The Town of Erie and Sunwest HOA require dog owners to keep their dogs on leashes when off the owner's property. This is to protect those people who are afraid of dogs, and to protect dogs from accidents that can happen when they are running loose.

Most dog owners in Sunwest are responsible and pick up after their dog. Unfortunately there are still a few bad apples that let their dogs roam the neighborhood and poop in their neighbor's yards. If you see that behavior please report it to president@sunwest-hoa.org along with any supporting information so we can try to reduce those incidents. Doggy-doo bag dispensers are located at the Tot Lots. Please bag your dog's doody if it goes outside of your yard. To use a bag, make a fist then turn a new bag inside out covering your fist and lower arm. Use the bag like a glove to pick up the dog-doo then pull the bag over your fist to trap the doody inside the bag. Then drop the bag in the trash, or even better drop the doody (minus the bag) into the toilet at home and flush it down. Doggy doo like human doo belongs in the sewer not in the trash. If the doggy-doo bag dispensers are empty send an email to president@sunwest-hoa.org and we will ask the landscaping company to refill the dispensers.

Summer Lawns Need Water

We applaud water conservation efforts, but homeowners still need to keep their lawns from turning brown. Sunwest HOA uses a weather monitoring system to reduce the amount of watering on the common areas by around 25%. The lawns are not emerald green, but they are not brown. Try to strike a balance to use the minimum amount of water without letting your lawn turn brown.

Keep Weeds and Trash Cans Out of Sight

This time of year, weeds and trash cans are the most frequent CC&R violation. Keep the weeds down and the trash and recycling carts out of sight on non-collection days and avoid those annoying violation letters.

Summer Yard Work

Summer is a good time to take care of the yard work you were putting off last winter and spring. Don't forget the trees and bushes in your yard need to be trimmed if they extend into the space above the sidewalks. The Town of Erie requires sidewalks have an 8-foot clearance above the ground free of tree limbs or other obstructions. Sunwest HOA has similar requirements so check out your trees and make sure they do not extend into the sidewalk space. That goes for ground cover that is creeping onto the sidewalk. Ground cover and bushes needs to be trimmed back off the surface of the sidewalk.
